

PATCH PHRASES

Manager's Note...

Hello! Welcome to the very first issue of *Patch Phrases*, Symbolix Patches' monthly newsletter, which we hope will offer you some fun and educational information all about patches. Whether you've ordered patches before or you're just interested, we hope the articles and ideas in this newsletter will inspire you to look into making custom patches for your group or organization.

In each issue of *Patch Phrases*, you will find a featured article that offers you a closer look at the patch-making process, tips on how to design a logo and choose materials, or other useful information to help you create the best patch that is custom-designed for you! The newsletter will also feature a "Patch of the Month" section, where we will choose from among the patches we have manufactured in the previous month and

showcase the one that the staff feels best displays our craftsmanship and handiwork. We hope this newsletter becomes a helpful tool for you and that you will find the articles entertaining and informative. If you would like to receive free monthly issues of *Patch Phrases* in the future, contact us today!

As the holidays approach, all of us here at Symbolix Patches wish you and your family a safe and wonderful Thanksgiving holiday!

Best Regards,

Shawn Hsu

TEN USES FOR A PATCH

10. Cover a hole in your uniform or your clothes with a well designed patch.
09. Patches make good drink coasters.
08. Use them as a way to keep your memories of events.
07. People like commenting on patches, therefore they make good conversation starters.
"Hello, what a nice patch."
"Why thank you, I got it at Symbolix Patches =]"
06. Display a patch proudly, they'll make you look distinguished!
05. People collect everything these days. Start a patch collection along with your collection of strangely shaped potato chips.
04. Want to add some color to that uniform of yours? A colorful patch brightens ANYTHING up!
03. Use a patch to hide that spaghetti sauce stain on your uniform.
02. Want to be a pirate? Well you need an eye-PATCH don't you?
01. And the number one use for a PATCH is ...
Patches symbolize what you are all about. They bring out the character and uniqueness of your group or organization!
